# Computer Vision with Embedded Machine Learning

Instructor Introductions

Mat Kelcey

- Applied machine learning research engineer at Edge Impulse
- Deep reinforcement learning, information extraction, and search ranking
- Self-supervised learning

Dmitry Maslov

- Computer vision engineer at TinkerGen (Seeed Studio)
- Runs Hardware.ai YouTube channel
- Multi-stage inference

Shawn Hymel

- Computer engineer, content creator
- Founder, Skal Risa, LLC
- Previously: SparkFun Electronics
